

# HALLOWEEN CANDY SAFETY CHECKLIST

- The candy is not past its expiration date (check under the wrapper flap)
- The wrapper is not ripped or open
- I recognize the candy type and/or brand and I trust the brand
- The candy has no strange pieces, colors, scents, or textures
- The candy has not been taken out of its original package (not a "Goodie Bag" with individual items that are wrapped or unwrapped)
- I have checked the ingredient list for items that may be harmful
- There is no choking or other hazard for my child (hard candies, long pieces, extra chewy candies)
- My child knows not to eat candy until I've checked it and they've washed their hands

**NOT SURE? THROW IT OUT!  
DANGEROUS? REPORT IT!**
